INFICON's products, including any software, documentation, and any related technical data, may be subject to export control laws and regulations. You shall not, and shall not permit any third parties to, directly or indirectly, export, reexport, or release any INFICON product to any jurisdiction or country to which, or any party to whom, or for any use for which, the export, reexport, or release of any product is prohibited by applicable law, regulation or rule.

You shall be responsible for any breach of this requirement by your employees, officers, directors, customers, agents, distributors, resellers, or vendors. You shall complete all required undertakings (including obtaining any necessary export license or other governmental approval) prior to exporting, reexporting, or releasing any INFICON product.

Warranty coverage is addressed in INFICON's General Terms and conditions located at <https://www.inficon.com/legal>
