Page: 2

Return reasons:

- 01 = technical defects (please describe the error precisely)
- 02 = material damages (please describe the damage precisely)
- 03 = sample delivery
- 04 = wrong ordered
- 05 = wrong delivered
- 06 = Is not needed
- 07 = transport damages
- 99 = _____

Error description:

I read and agree to the following information regarding this:

If the information regarding the return is not sufficient, a quick processing of the return by TEKA is not ensured.

The acceptance of the return does not automatically entitle to a possible credit or acceptance of the complaint. In case of significant damage, optical modification or heavy soiling of the returned product, TEKA can decline the acceptance of the return.

Returns of products that are no longer needed or incorrectly ordered are only accepted in agreement with the TEKA employee in charge. A credit will occur at the discretion of the TEKA employee in charge. TEKA reserves the right to charge a proportional processing fee.
