**Discussion**

4. The fourth part of the document discusses the various ways in which taxes can be paid, including through withholding, estimated payments, and direct payment to the tax authority.

5. The fifth part of the document discusses the various ways in which taxes can be deducted or credited, including for charitable contributions, mortgage interest, and research and development expenses.

6. The sixth part of the document discusses the various ways in which taxes can be appealed, including through the Tax Court, the IRS, and the courts.

7. The seventh part of the document discusses the various ways in which taxes can be enforced, including through liens, seizures, and criminal penalties.

8. The eighth part of the document discusses the various ways in which taxes can be avoided or minimized, including through the use of tax shelters, trusts, and other legal structures.

9. The ninth part of the document discusses the various ways in which taxes can be collected, including through the use of tax collectors, tax inspectors, and other personnel.

10. The tenth part of the document discusses the various ways in which taxes can be used, including for the payment of government expenses, the provision of social services, and the funding of infrastructure projects.
