Preliminary information for Supplier: While inspecting your delivery we have identified the below mentioned quality demerits. We would like to request you to take according containment actions and to avoid repetitive failures in future. In case we identify further issues within our receiving or production processes we inform you with an additional inspection report.															
The payment of the goods after identification of the demerit does not automatically apply as acceptance of the goods. We expect your reply to this inspection report (e.g. 8D) addressed to below contact until 															
Failure description: Missing DMC Quality Notification Origin: Rejected from Assembly Line Quantity Affected: 01 Part (Partial result) Defect: Missing DMC															
We expect a written response within 24h concerning your immediate containment actions. Please send your containment actions in form of a 8D report to following email: getrag.holline.supplier@magna.com Please only use the specific MAGNA Supply Chain Management templates which you can receive from your contact or at GETRAG.SMRT@magna.com In regards to potential cost chargebacks our regress department U/CRG will get in contact with you.
