Yes sure, ok for Friday 4/4 but please tell me if you will send us:

- option a: three different vans, as last time
- option b: one entire truck or a truck bigger than a van;

Please keep in mind that the total weight for 8 PLTs (if you decide option a), are around 1.350kg, otherwise the whole weight for all the pallets (24 equal to 5.040 pcs) is around 4.000kg.

Thank you.

Hi Fabio

currently we do not have on stock additional clutch supports. We already did extra shift during Saturday to produce more supports. Machine is in breakdown due to missing spare part. Based on my information we should have spare part this Thursday.
