Dual Use Regulation / International Business Regulation

We would like to formally point out that the sending or export of goods, for example as part of a RETROFIT, within the customs area of the European Union or to third party countries can be subject to obligations to obtain permits or other restrictions. Insofar, we refer specifically to the listings in the attachment of the (EU) 2021/821 regulation ("Dual use VO") in the respectively valid version and the listings in part 1 of the export list of the international business regulation ("AWV", Attachment). It is the shippers responsibility to check the intervention of prohibition, restrictions or embargoes for concrete export or shipping transactions.
